KaMin LLC Awarded Team Safety Award for Sandersville Operations

MACON, GA. November 9, 2017 - KaMin LLC announced today that the Sandersville plant won the **Team Safety Award** at the **Georgia Manufacturing Summit**.

“Congratulations to the Sandersville Plant for continued excellence in safety and for receiving the ‘Team Safety’ award for the second straight year in the state of Georgia (2016 & 2017)... This is a huge deal as this organization chose the Sandersville team out of a number of nominees from across the state of Georgia. ”

-Jason Maxwell, VP of Operations

KaMin was represented by Chuck Gheesling, Keith Everett, Tim Dominy, Jerome Alexander, Vinny Robinson, Bobby Waller, I.T. Veal, Ray Beggs and Brett Hendrix. The team focuses on clear and frequent communication with 41 employees staying safe on the job and they have nearly 9 consecutive years without an

OSHA reportable accident. They celebrated one million hours without an accident earlier this year.

The Georgia Manufacturing Summit is produced by The Georgia Manufacturing Alliance (GMA). GMA is a membership-based industry organization founded in 2008 to support Georgia’s manufacturing community.

About KaMin LLC– With over 90 years of experience in mining and processing kaolin clay, KaMin delivers value to customers worldwide with high quality kaolin solutions for the most demanding applications.

KaMin mines and produces its kaolin in the US at three Georgia plants – Macon, Sandersville and Wrens. KaMin has been recognized not only as a leader in product quality and export volumes, but also in its safe mining practices for many consecutive years.
