Dear Valued Customer,

Thank you for your recent inquiry on the status of our kaolin products as it relates to “conflict minerals”. Our kaolin products are produced in the United States and in Brazil exclusively from kaolin mined in these two regions. Additionally we do not use or add any conflict minerals to any of our kaolin products.

We thank you for your continued business. Please let us know if you have any additional questions.

With Best Regards,

A handwritten signature in black ink that reads 'Doug Carter'.

Doug Carter, Ph.D.
Vice President – Technology and Business Development
